

AMERICAN CONTRACT BRIDGE LEAGUE
La Jolla Unit #526

Monthly Board Meeting – November 23, 2008
Meeting Called to Order 11:42

Members Present: David Oakley, Diana Marquardt, Steve Johnson, Bill Grant,
Matthew Kidd, Manoochehr Bahmanian, Cass Donovan, Ron Ignelzi

Members Absent: Alice Leicht, Nate McCay

Minutes of October Board Meeting: Approved as submitted

Treasurer's Report: Treasurer's report for October has been posted to the La Jolla Unit Web site. The Treasurer (Diana Marquardt) and one other unit board member need to be signatories on the Vanguard account, Dorinda Lindvall needs to be present to adjust the signatories. Diana sent the yearly tax monies.

Membership Report: Suggested to send a post card to new members to get them to come and play. Commentary to keep an updated membership list was discussed. It was suggested that someone go to the ACBL website to "pull down" a current listing of Unit 526 members. David will work with Alice regarding a January "Newcomer's" game perhaps the last Sunday in January.

2009 May Sectional: Nate is out of town so there is nothing to report from this meeting. Nate had sent a schedule to all board members for review and approval.

2009 Schedule: Need to promulgate the La Jolla Unit's schedule to the Soledad Club. Matthew and David will work on that. David to call Coronado Unit to confirm the dates for next year's Coronado Sectional (the Club is usually closed the Sunday of the Coronado Sectional).

Bridge at La Jolla High: La Jolla High School administrators are loathe to add extracurricular activities after school, leaving lunch time as the option for promoting bridge. The window of opportunity for doing this with the AP Math students is during the May/June "down time" at the High School. The usual course of instruction is 16 hours worth. It was suggested that David Walters might be interested in helping to teach the High School students.

Christmas Party: The unit has purchased Champagne. Diana asked the church group to be out no later than 11:30. Set up for the party will commence shortly after that. Diana will organize the decorations. All food and drinks are good to go. We will

make the coffee. Diana has asked that Board members who can, be here at 11:30 to help as necessary with set-up.

Hospitality for 2009: Cass to keep inventory of supplies in the cabinets. David will purchase the necessary supplies at COSTCO.

The meeting was adjourned at 12:10 PM. The next meeting of the board will be Sunday, December 28th at 11:30AM.

Respectfully submitted,
Steve Johnson
Unit 526 Secretary
