

ACBL  
La Jolla Unit # 526  
Board Meeting, November 28, 2010

Minutes

President Ron Ignelzi called the meeting to order at 11:40 am.

Members present were Ron Ignelzi, Janet Ansfield, Matthew Kidd, Chuck Wilson, Cass Donovan, Billie Green, Bill Grant, and Gary Mollenkopf.

Absent was Randy Fadem.

Minutes from the previous meeting were approved.

Chuck presented the treasurer's report; it was approved.

Janet reported on progress for our holiday party to be held on December 12 at the La Jolla Country Club. The number of guests is limited to 23 tables (92 people), and that number has been met. Matthew is going to pick up 8 tables at the Soledad Club, take them to the party, and then return them to the club.

The area bridge directory is in progress. We have about a 20% return so far. The deadline of December 4 is a target rather than an absolute deadline. We will continue to get entries for the directory. We adopted the following process:

- 1) We will each take a share of the La Jolla Unit Membership Roster and conduct a phone survey of those people, transcribing their information onto a form (which we can each copy) or into an excel file.
- 2) We will then email them or land mail them to Chuck who will compile them and compare them to forms we have already received.
- 3) Chuck will enter the data in an Excel file to provide to the directory committee.

Ron will send the master list to Bill who will then divide it up and assign each of us our list of names. (As of this moment, that has already been accomplished! Thanks to both Ron and Bill!) Ron provided each of us with the data entry form to copy. Gary will print Billie's assignment and give it to her when he sees her.

There being no further business, the meeting was adjourned.

Respectfully submitted,  
Gary Mollenkopf
