The minutes from the June 12 meeting were read and approved.

Chuck gave the treasurer's report and indicated that some bills that had not been submitted to the unit for several months had finally been submitted and paid in June. (e.g. the bill for cleaning had not been submitted for 9 months). Chuck suggested that, in the future, the treasurer include in his/her monthly report any bills that were pending yet hadn't been submitted.

Chuck has withdrawn \$1500 from the Vanguard account and put it in the Wells Fargo checking account. There have been no withdrawals from the Vanguard account in at least the last 8 years.

Chuck presented the annual report.

Gary moved that the treasurer's reports be accepted. The motion carried.

Elections of officers were held. Results are as follows:

President: Randy Fadem  
Vice president: Matthew Kidd  
Secretary: Marge Hughes  
Treasurer: Chuck Wilson

Matthew gave an accounting of attendance statistics from our last two May sectionals. The board will continue exploring ways to increase attendance at the sectionals.

Gary announced his resignation from the board due to a pending unit transfer.

Matthew moved that the meeting be adjourned. The motion carried.

Respectfully submitted,  
Gary Mollenkopf
